

**Go On And Learn!**

# Kimberley Primary and Nursery School

## Newsletter – 13<sup>th</sup> October 2017

Dear Parents and Carers,

We have some students who are training to be teachers working in school over the next few weeks. Mr Leighton is working with Newstead, Miss Mee is with Clumber and Miss Lang with Wollaton – I understand that they were mistaken for OFSTED inspectors earlier in the week, they were very flattered!

### Attendance

Whole school attendance was 95.5% last week

Target 96%

**This week's winners are:**

Reception and Key Stage 1: Sherwood 97.8%

Key stage 2: Newstead 100%

Well done!

### Stars of the Week

Congratulations to our 'Stars of the Week.'

Zachery

Samuel

George

Harvey N

Newstead

Wollaton

### Thought of the Week

**What do you want to be when you grow up?**

This is a question that can produce surprising answers. We are always looking to the future, what will it hold? Where will we be? This week we are asking a simple question which doesn't always have an answer but it can be one that inspires ambition amongst the youngest of children. I'm sure the children will want to know what your ambitions were when you were young!

### Wollaton Class Assembly – 12/10/17

Wollaton class performed their own version of The Egyptian Cinderella to their parents and carers yesterday morning. Mrs Wilde explained that they had prepared the script themselves as part of their English work. It was an excellent example of reading inspiring writing and in turn performing. The costumes were amazing, thank you for all the effort you put in to support your children. Well done to everyone.

### Cross Country Competition – 18/10/17

Many of our Year 4,5 and 6 children will be taking part in the Broxtowe Primary Cross Country competition on the 18th October. If your child has been selected, please can you ensure that they have a school PE t-shirt, black/navy blue shorts and trainers. The children are very excited and we will be taking an A and B team to ensure that as many children as possible get the chance to compete.

### Facebook

Once again, a number of parents have expressed concern about viewpoints being posted on social media regarding the school. Please, if you have a problem or issue talk to the staff – concerns can be dealt with.

### Pokémon Cards

Please can children not bring any kind of cards that can be swapped into school. We have had a number of children get very upset once they have swapped cards, wanting them back. In addition, if they go missing, they are also getting anxious or angry. If any child brings them in, we will keep them safe until an adult collects them.

As always, thank you for your support. If you have any worries, questions, queries or compliments, please don't hesitate to contact us.

With warmest wishes,

Lisa Turner-Rowe  
Head Teacher
