

Kimberley Primary and Nursery School

Newsletter – 17th November 2017

Go On And Learn!

Dear Parents and Carers,

The children have worked well over the week and we've seen some excellent examples of ways to be Kind, Prepared and Safe. This is particularly true with the way they have worked when talking about ways to be friendly and tackle any form of bullying.

Attendance

Whole school attendance 95.7%

Target 96%

This week's winners are:

Reception and Key Stage 1: Sherwood 97%

Key stage 2: Newstead 99%

Well done!

Stars of the Week

Congratulations to our 'Stars of the Week.'

| Samuel | Rushcliffe |
| Alfie R | Newstead |
| James | Wollaton |

Thought of the Week

How do you keep yourself safe to and from school

As this week is Road Safety Week, we will be looking at the way we keep ourselves safe walking, in the car, on bikes, on scooters and so on. We will talk about stranger danger, road safety and being seen as the nights and mornings are darker. Please take this opportunity to talk to your children about the ways that we all keep safe in our local area.

Children in Need - Friday 17th November

Thank you for your support and donations during this morning's fundraising 'Wake and Shake' for Children in Need. It was truly lovely for everyone to be involved in a dance on their arrival to school. We will let you know the amount raised as soon as it has all been counted.

Boccia Tournament

Five of our children represented the school on Wednesday in a Boccia competition at The Kimberley School. Miss Mehmet and Miss Bingham came back to school full of praise and admiration for the way the children worked as part of a team, showed great support and played their best. They came third! Well done to George F, Alfie R, Morgan H, Erica B and Acacya M.

After School Clubs

Thank you for all the applications for the after school clubs we are running for the next few weeks. These will continue into the new year too. If you have not heard anything then your child has a place and will be expected to attend this includes those children who have requested a place at football club.

Speech and Language Support

As a family of schools, we have employed a Speech and Language specialist to work with children in the Kimberley and Nuthall area. This will just add to our provision and will be support identified children and groups within school. This is not the same as the NHS provision which is accessed through the GP or health visitor. If anyone has any questions about this, please come and see either Mrs Allison or Mrs Howarth.

Academy Consultation

Thank you to those parents who came to our academy consultation on Monday. If you have any further questions, please feel free to email us or pop in and see me.

Swimming Spotters

We are very short of spotters for our swimming sessions on Wednesday afternoon. Spotters need to watch the whole of the pool during the lesson. If you can help, please get in touch. If we don't get more spotters then our swimming provision will be at risk.

If you have any questions or queries about this, please feel free to get in touch. As always, thank you for your support.

With warmest wishes,

Lisa Turner-Rowe - Head Teacher
