Thought of the Week

Do we see everything?

This week we are looking at points of view and discussing how what we see isn't always what is true. Two people can be present at the same place but see different things. Some images aren't always what they seem. As part of this, we will be talking about how different viewpoints are influenced about what we experience.

Year 1 Phonics Meeting

Thank you to those parents who came to our meeting on Wednesday. For those of you who couldn't make it, please see the information that is on our website regarding the phonics screening that your children will be taking in May.

Lunchtime Golden Table

Our lunch supervisors have come up with an excellent way to recognise those children who are doing the right thing at lunchtime. Over the week, they will decide on two children each who will have the opportunity to eat at the Top Table. These children will have a special drink, gold handled cutlery, flickering electric candles and a very posh tablecloth. The first children to experience this were: Oliver and Jennifer (Bramcote),. Brooke and Kacper (Clumber), Oliver P and Abbi W (Sherwood), Kenzie and Ellie Mai (Rushcliffe), Jude and Haydn (Newstead) and Alannah and Harry (Wollaton). All these children have shown excellent manners this week in school.

Staffing

Many of you will know that we have a few staff off sick at the moment. We are maintaining consistency where possible but sometimes supply teachers will take the class. Planning is still provided by school and the children remain working on their targets in class. We hope this current flu bug will resolve itself quickly. Thank you for your understanding.

Hathersage Visit

Two thirds of Rushcliffe class visit Hathersage for a three day residential on Monday accompanied by Mr Moss, Mrs Kempa and Mrs Reed. We know they will have a lovely time and we keep our fingers crossed for good weather.

INSET day

Just a reminder following our notification at the beginning of the term that next week's INSET day is cancelled and school is **OPEN on Wednesday 31st January.**

Mud and indoor shoes

Please can you send indoor shoes for your child if you have not done so already. The children find it hard to keep off the mud due to the design of our playground. Indoor shoes help keep the mud off the floors and carpets in school. Thank you for your support.

As always, if you have any questions, queries, concerns or praise, please don't hesitate to contact us.

With warmest wishes,

Lisa Turner-Rowe - Head Teacher
