

Kimberley Primary and Nursery School

Newsletter – 27th April 2018

Dear Parents and Carers,

It has been a busy week once more at Kimberley and the children have really worked hard in the classes. We've added an additional star to our Stars of the Week. Mr Pitman, our sports coach, is on the lookout for children who are sporting heroes, those children who work hard, show resilience and good team spirit.

Attendance

Whole school attendance 96.4%

Target 96%

This week's winners are:

Reception and Key Stage 1: Clumber 97.3%

Key stage 2: Newstead - Wollaton 98.3%

Well done!

Stars of the Week

Congratulations to our Stars of the Week.

Headteacher's Award

Cleanest and tidiest classroom award: Wollaton - Well done!

Thought of the Week

Who helps us to be prepared?

Being prepared is a vital skill for everyday life, it is also one of our school rules. We need to be prepared for PE, prepared for school with all the equipment we need including full uniform. We need to be prepared to be kind and friendly to those we meet. Being on time is directly related to being prepared in a morning. Please talk to your children about being responsible for being prepared for school.

New Playground

Many of you will have seen the playground plans that we had when you came to Parents' Evening before the Easter break. I'm pleased to tell you that, as part of East Midlands Education Trust, we have been granted funding to be able to begin this project. It does have to go through the tender process so it will be a while before it begins but we are thrilled that we have the opportunity to make such a positive difference to the children.

Tag Rugby

Mr Moss and Mrs Garner took a team to play in a Tag Rugby tournament on Tuesday. The weather conditions weren't as good as we would have hoped but the team showed great resilience and determination. As always, thank you to the teachers for supporting the team and the children for having an excellent sporting attitude.

Clumber Class Assembly

Just a reminder, Clumber class assembly is on 24th May at 9am in the hall.

Information about School

Remember that you can find most information about events and letters that have been sent out on our school website. This should be your first port of call before contacting school.

www.kimberleyprimary.org.uk

Kingswood Residential

Please ensure that you are up-to-date with your payments if your child is going to Kingswood in September 2018. We will be needing full payment before your child attends and this can be quite a lot to find at short notice if you aren't on track with the instalments.

Coats

Please can you make sure that your child comes to school with a coat. Although the weather is slightly warmer than a few weeks ago, the children still need them for break and dinner times, particularly with the April showers that we are getting.

With warmest wishes,

Lisa Turner-Rowe - Head Teacher
