Thought of the Week

How does working together make things easier?

We are focusing on teamwork and friendships over the next half-term and taking time to look at how sharing the load and working together can benefit us all. It's important for the children to realise that they aren't on their own and that working together sometimes makes things easier to deal with and brings about more success. We will be looking at how this happens at school and at home.

Rounders Tournament

Well done to our Y5 and Y6 rounders team who worked hard, played with determination and showed true teamwork in their tournament yesterday. There were 11 teams involved and each team played three games. We didn't make it though to the final but the children have lots of experience to take forward into their next competition. Well done.

Uniform Sale

We have a number of uniform items which we are now selling at half price as Tesco now supply our school colours with logo through their website. If you are interested in purchasing anything, please contact the office. We have a larger number of the KS2 sizes in PE kit, jumpers and tops but there are some smaller sizes too. First come, first served.

Garden Planting

You may have noticed that we have plastic bottle planters around school. Our Nature Group are also wanting to plant some flowers in old wellies. If you have any spare pairs, please can you send them into school after the half term break.

Class Photographs

Next Wednesday (13.6.18) the school photographer will be in taking class photographs. These will be available to purchase soon after.

Father's Day Service - 15.6.18

Next Friday, we invite the significant males (fathers, step-fathers, grandfathers, uncles, friends) in our KS2 children's lives into school for a celebration. This will begin at 9am. We look forward to seeing you there.

Sports Day - 27.6.18

Just a reminder that our Sports Day is coming up on the afternoon of the 27th June. We do have a reserve if the weather is not good enough!

Kingswood September 2018

Just a reminder that the deadline for final payments for Kingswood are due by the 20th July 2018.

Hathersage - January 2019

Parents of the present year 2 children should receive a letter regarding a proposed three day residential to Hathersage in 2019. If you have not received this by next week, please check the website under letters.

Attendance

Please be aware that holidays during term time are generally unauthorised unless there is an exceptional reason. As per our policy, we may refer your family for a fine if you choose to take your child out of school for three or more days due to a holiday. It is important that you request the time off and inform us as then it can be recorded properly. If the school has evidence that you have been on holiday and not informed us, we can still request a fine.

With my very best wishes,

Lisa Turner-Rowe - Head Teacher
