

# Kimberley Primary and Nursery School

## Newsletter – 13<sup>th</sup> July 2018

Dear Parents and Carers,

The children have spent a lovely two days with their new teachers and talked about what they will be learning next year. We said a warm welcome to Mr Beresford and Miss Wagstaff who are joining our team from September. As we move into the final full week of the term, we start to think about the hellos and goodbyes we will be saying.

### Attendance

Whole school attendance 94%

Target 96%

**This week's winners are:**

Reception and Key Stage 1: Sherwood 97%

Key stage 2: Newstead 97%

Well done!

### Stars of the Week

Congratulations to our Stars of the Week.

Lexi

Aoife

Sophie

Logan

Rio

Larah

Bramcote

Clumber

Sherwood

Rushcliffe

Newstead

Wollaton

Head Teacher's  
Award

**Cleanest and tidiest classroom award:** Rushcliffe - Well done!

### Thought of the Week

How do you become a 'whizz' at something?

We all want to be good at something, an expert, someone others look up to. I've tried to be a whizz at running for a while - I'm not the best, but I know that the practice I've put in has helped me to improve. This week, we will look at how to be truly good at something doesn't always come naturally. You can have talent, but without practice, dedication and work, that talent can go nowhere. Similarly, you may not be good at something to begin with, but with determination you can become an expert.

### Year 6 SATs results

Our Year 6 received their SATs results this week. We are extremely proud of them all and know just how much work and effort they have put in over the last couple of years. Well done to them all.

### Summer Fayre

Thank you to everyone who came and supported our Summer Fayre last Friday. The children's artwork was fantastic and they really enjoyed learning about their local area - they were thrilled that so many people saw their work and commented positively about their work. The older children's stalls made a great amount of money and their enterprise and business skills are fantastic! After all costs, we made a magnificent profit of £790. This will pay for the transport costs for the whole school trip to the pantomime in December. Thank you so much for all your support.

### EYFS - Sports Day - 11.7.18

Rufford class held their sports day on Wednesday. They had a great morning and lots of their families came to support them. We hope you enjoyed it just as much as the children did.

### **KS2 End of Year Performance - 17.7.18**

KS2 will stage their end of year performance next week. As last year, the children will be able to stay at the end of school, enjoy some play with their friends, eat pizza and chips and finish with an ice-cream. They will then have enough energy to perform for a second time in the evening performance. A letter will be coming out about this next week. Thank you to the friends group who have funded this.

### **Year 6 Leavers Service DATE CHANGE - 24.7.19**

Our Year 6 children will be sharing memories and photographs of their time at Kimberley on the morning of the 24<sup>th</sup> July from 9am. We hope that parents and carers of these children can make this. This date has been changed to give the children more time to prepare the best leavers service they can.

### **NSPCC**

The NSPCC came in to thank the children for raising £731 - well done to everyone.

### **After-School Clubs**

Please note the following clubs have now finished.

Football, Athletics, Multi-skills, Tag Rugby and Cross Country

The following clubs finish on the following dates:

Rounders - 23.7.18

Hockey KS2 - 20.7.18

### **Reports**

You should all have received your child's report by now. Please can you send back the parent form to acknowledge receipt and add any comments you wish to bring to the attention of your child's class teacher.

### **Parking**

Once more, I have received complaints about parking in the local area. These appear to be concerned around West Street and people parking inconsiderately at the end of the road and sometimes blocking people in. Please park further down and walk the last bit to school, it will make a big difference to our local residents. Thank you.

With warmest wishes,

Lisa Turner-Rowe - Head Teacher
