

## Nursery Curriculum flyer

A warm welcome to our new children and their families and welcome back to our returning children. We hope you have had a wonderful Summer and are excited for the new school year ahead. Our new class name is Penguin Class.

This half term our topic is 'All about me', we will be learning about ourselves and what makes us unique. We will be learning about our families, pets, healthy eating and our likes and dislikes. Alongside these we will be exploring our five senses.

### Talk for Writing

Each half term we learn a story through Talk for Writing. Whilst the children are settling in and to help the new children become familiar with the Talk for Writing process our first story will be 'Brown Bear, Brown Bear'. Over the half term we will be learning the story then innovating it to make our own. A copy of the story map and text will be sent out for you to support at home once we have learnt the whole story.

### ClassDojo

You will receive a letter to sign up to ClassDojo. This will be the main line of communication between us. We hope that you will find this useful to see what your child has been learning, sharing learning moments from home and a way of contacting us.

### Welly Wednesdays

A new year of Welly Wednesday sessions will begin this term. During this half term we will be exploring the changing of the seasons and completing lots of fun Autumn activities. We will be bug hunting, den building and learning how to use tools safely.

We suggest sending your child either in older school uniform or old clothes as it can get messy! We have waterproofs and wellies for each child but if your child wishes to bring their own, please make sure these are clearly named.

Autumn 1 2024

### Fantasy Friday

On a Friday, your child is allowed to come to school in dressing up clothes. This is **not** a non- school uniform day. If they choose not to dress up, then they need to be in school uniform. When choosing dressing up clothes please make sure your child has suitable footwear, and no jewellery.

### Healthy eating

At Kimberley Primary School we promote healthy eating. For this reason, we like all children to have a **named water bottle**. Please make sure that this has water and not squash. Every child gets one piece of fruit and a cup of milk each day. If your child attends full days, you may send them with a healthy snack for the afternoon. This can be a fruit, vegetable, cheese or yoghurt.

### Spare Clothes

We have a small selection of spare clothes in nursery for children to use if they get wet or have an accident. However, these often get used up and we do not have enough for all children. If you know your child is likely to have a toileting accident at school, please pop some spare clothes in their book bag and replace when used.

### Sharing information

If you have any evidence of your child's development at home that you would like to share with us, please upload pictures and a brief comment to '**Evidence me**'. Examples could be your child visiting new places, sharing their favourite story or trying a new food! If your child is new to school, you will get an email inviting you to join. This might go in your clutter box and will be from the company '2Simple'.

For any queries or questions message us on Class Dojo.

Thank you

Mrs Heymond and the EYFS Team 😊
