

## Nursery Curriculum flyer

Welcome back we hope you have all had a restful break. This half term our topic is 'Celebrations and we will be learning about different celebrations that take place as well as celebrations that are important to us. We will be looking at Bonfire Night, Diwali, Birthdays and Christmas. This half term we will be working towards our Christmas performance –Mend the Manager - more details to follow.

### Key Dates

EYFS Nativity – 3<sup>rd</sup> December 9.30am and 2.00pm

Pantomime – 5<sup>th</sup> December

Christmas Dinner/jumper day/Fayre - 6<sup>th</sup> December

### Talk for Writing

Each half term we learn a story through Talk for Writing. Over the course of a couple of weeks we learn them line by line using actions to help us remember and a story map of pictures to prompt us. Once we have learnt the story, we begin to make it our own by changing the characters and settings.

This half term we are learning 'The Enormous Turnip.

### Colder Weather

As the weather turns colder, please ensure your child has a warm coat as they will continue to play outside every day. Your child will also need a hat, scarf and gloves, please ensure these are clearly name labelled. It would be useful if you could support your child with putting on their own items of clothing.

### Healthy eating

At Kimberley Primary School we promote healthy eating. For this reason, we like all children to have a **named water bottle**. Please make sure that this has **water** and not squash. Every child gets one piece of fruit and a cup of milk each day. If your child attends

full days, you may send them with a healthy snack for the afternoon. This can be a fruit, vegetable, cheese or yoghurt.

### Welly Wednesdays

Your child will be taking part in our Welly Wednesday sessions each week. During these sessions we will be learning outdoors for as much time as possible. As the weather is getting cooler it is important that your child has a coat and warm clothes with them. The weather doesn't often stop us, and we like to be out even if it is wet. For this reason, please make sure your child is prepared for all weathers. We suggest sending your child either in older school uniform or old clothes that day as it can get messy! Thank you 😊

### Fantasy Friday

On a Friday your child is allowed to come to school in dressing up. It has been lovely to see the children dressed up as different characters and it really supports them in their creative play. This is **not** a non- school uniform day, or opportunity to wear football kits, and if they choose not to dress up then they should be in normal school uniform.

### Further information

Please find attached the topic overview. If you have any evidence of your child's development at home that you would like to share with us you will be able to upload pictures and a statement to '**Evidence me**' or Class Dojo.

### Further questions?

Please send us a message on Class Dojo.

EYFS Team 😊
