

We are the class 4c from the primary school Bonifatius in Paderborn.
What is the name of your school?

Here are some facts about Paderborn:

Paderborn is located in the middle of Germany and can be easily reached by car, rail and by plane. Paderborn has a population of around 157,700 people. Among the many noteworthy sights are the town hall, the cathedral and the Three-Hares-Window, the imperial palace, the Pader spring area and Neuhaus castle.

Three-Hares-Window

cathedral

Pader spring area

Neuhaus castle

Our school routines

Our school starts at 7:55 am and it ends at 12:30 pm or 01:15 pm. At our school we do a range of lessons including Maths, German, English, Science, Music, Art, RE, PE. One lesson takes 45 minutes. What subjects do you have at school and how long does a lesson take? In Germany primary school starts at the age of six and ends at the age of ten. In Germany we do not wear school uniforms.

You can find a lot of information about our school on our homepage:

<https://www.paderborn.de/microsite/gsbbonifatius/index.php>

Our school building and our play ground

Our gym

In our class we are 12 girls and 12 boys. How many children are in your class? Our English teacher is Mrs Biermanski. What is the name of your teacher?

We start every English lesson with a welcome meeting. At the moment our topic is at home. We have already learned new words and sentences (like rooms and furniture), created a dream house and now we learn how to write a house description.

We have already learned words on the following topics: numbers and colours, school things, zoo animals, pets, Halloween, Christmas, weather and the English alphabet.

We are really excited to learn some English Christmas songs!

We cannot wait for your reply and we look forward to completing future projects with you!

**Best regards,
your class 4c**
