KS2 Reading Lessons and coverage:

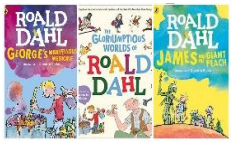

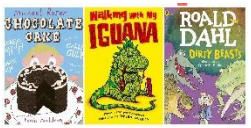

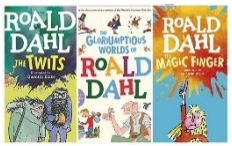

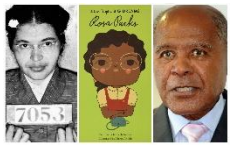

In KS2 reading is taught daily using Fred's Teaching resources, there is a weekly theme and all year groups follow the same weekly lesson structure.

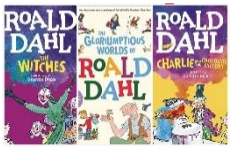

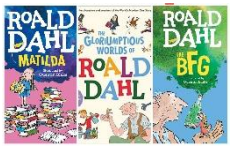

Monday: Overview of the texts for the week's theme This lesson has a strong oracy focus, with children explaining and justifying their ideas, then building on or challenging each other respectfully. This will include cover study, predictions, links, themes, genres and personal preferences. The children will then choose one book to look at in detail for the rest of the week.

Tuesday-Thursday: Children study the same extract each day, gaining familiarity with the text. They will explore the vocabulary, build from choral to echo to partner reading of the extract. Over the week they will use the text to answer retrieval questions, then progress to time to talk and think for yourself stretch questions which cover a variety of skills including, inference, summarising, explaining, author choice and intention.

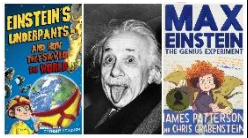

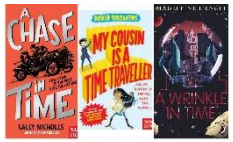

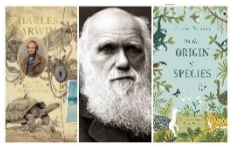

Friday: On Fridays children will read the text independently and complete a flying solo comprehension activity.

Autumn 1:
